Dear editor,

Alexis Texas hits it every time. She's a hottie and quite a fuck. I was overjoyed to see an Alexis without her new boobs. Yes, they're probably quite nice, but the real thing is even a better thing. And I missede her butt getting plowed, but I understand and won't hold you against it. Since there was no anal sex, you could have run more photos of her. She's such a hottie. If you've got more photos of her, please run them as soon as you can. I'll be looking for her on the newsstand.

LOSING MY ANAL VIRGINITY

I turned 34 a couple months ago and discovered my wife cheating on me. I dropped her as fast as I could and have found this wonderfully weird lady on the rebound. My ex was very conservative and we fucked mostly in the missionary position. That is – when we did fuck. She rarely went down on me and even more rarely let me go down on her. So perhaps our splitting has turned out to be a good thing.

My new lady, however, is very experienced and sometimes a bit too aggressive for me. She has sucked me for hours until I thought the skin on my cock was going to come off. We screw in every position imaginable, but here's the thing: she wants – anal sex! And I've never done it. She says it makes her cum more intensely and is kinda turned on by my anal virginity. She says she's learned that couples who do it have a much calmer and positive relationship than those that are more uptight about it. I probably would agree since it makes me uptight.

She tells me that when her anus is stimulated, it has its own singular sensations. While they are sexual and pleasurable, they are often more intense because that area will not be stimulated as often as the vaginal area. She says when she orgasms anally, she enjoys it immensely. I guess I'm ready to try it with her, but I just needed to vent a little since this is a subject you just can't talk to anyone about. I probably won't send this letter if I don't do it with her. But then I might send it if I do. Then I can tell you, and me, what it was like.

– Pascal, Milwaukee, WI

ROOMATES ARE FUN

So, I've decided to break down and write to you. One night last week after coming home from work, I was pretty bored. Horny as usual, I was just kicking back, propped up on my bed in my boxers watching TV – like Al Bundy, hand in the waste band and a beer in the other. Later that night my roomie comes home. Nothing unusual except that she was a bit more drunk than usual. I was kinda upset wondering why I wasn't invited but then learned it wasn't even worth it which is why she came home early. So she knocks on my bedroom door and asked if she could watch the movie with me as she laid down in my bed. I replied 'sure' and we found something too watch. A short while passed as she decided she wanted to get more comfortable so she asked me for some sweats and a shirt.

That's when it all started… I watched as she slid her tight jeans down revealing a lacy black thong. I was instantly hard. I couldn't help it, she was so sexy with an

I ate her pussy like I was starving, licking and fingering sucking I made her cum and squirt three times in fifteen minutes, but who's counting. So then she proceeded to get on her knees and go to town on my cock.

all-over tan, perfect body, and her extremely sexy underwear. I was so turned on. She then took off her shirt and grabbed one of my t-shirts and before she could put it on I muttered 'Damn, Jilly.' She laughed a little and asked 'What?' I said "You are so sexy... look what you did to me." looking down she saw my cock bulging in my pants.

Without hesitating, she grabbed it and started rubbing it outside my boxers. She then said to me with that slow drunk voice, "Do you like looking at your roomie in your underwear?" Speechless I said only "Of course." So she said "Really." and walked away to her room looking back at me grinning ear to ear.

I didn't know what to expect, I was rock hard and she just left me sitting there. Then, six or seven minutes later, she appeared at my door in the sexiest lingerie I had ever seen. She asked me if I liked it. I liked it, and said "No, I love it." Then she crawled up my bed licking her lips all the way even as she pulled my shorts off of me. Looking up at me, she then asked if I would do her a favor. So amazed by how sexy she was, she then told me she wanted me to eat her pussy and she would deep-throat my cock. She said she was craving a cock down her throat and she wanted to feel someone burst cum all over her face.

Needless to say, I ate her pussy like I was starving, licking and fingering sucking I made her cum and squirt three times in fifteen minutes, but who's counting. So then she proceeded to get on her knees and go to town on my cock. I couldn't believe how great it felt as she went up and down, sucking my huge cock. Her hands stroked, it running her tongue up and down in between strokes. Looking up at me she said "Are you gonna give me that hot cum of yours, I want to taste it." I said "Yea, Jilly, you have me ready to explode." As she was getting more into it, going faster and faster, deeper and deeper, I couldn't hold back anymore. I grabbed her by her hair and tipped her head back, cumming all over her face as she opened her mouth and aimed my cock into it.

After that, she sucked every last drop out of me and then used her fingers too wipe every drop off her face and swallow it. She then told me that she loved that we did this kinda stuff, she said no one else made her feel so good and make her cum so much. Smiling, I said it was because I was so attracted to her and it was easy. Laying there next me still in the lingerie she said, "I hope you don't think your done?" and I asked why? She said that was just foreplay and wanted me to fuck her even more with my huge cock.

We spent the rest of the night fucking and sucking right there on my bed. Since then we've not fucked, but I think I might try enticing her with a bottle of champagne. Now only to think of the reason to pop the cork.

– Noah., Buffalo, NY

QUALITY TIME – IN THE DARK

My wife Nadine is a wonderful woman, and I don't want to let her go. We needed some quality time together to rekindle our love and, hopefully, some of the sex that had been lacking over the years. We decided to go to Miami and live it up a little, hoping the excitement and all the things to do there would give us opportunities to be together. We arrived at our hotel, unpacked and decided to get something to eat. While we were on the way to the restaurant, we passed a few strip bars and started commenting on how it's been since college that we had gone to one. We decided to stop into a well established club away from the big glamorous clubs that are all the Miami area for a drink first.

The place was about half full as we were escorted to a booth towards the back and ordered our drinks. There was a tall, pretty girl on stage seemingly just going through the motions. She had big, floppy tits but a cute body. Nadine and I checked out the dimly lit space as the girl went through her 'sexy' routine. After our drinks came, one of the dancers came over and introduced herself to us as Sap-

She slid a finger in my wife's pussy and pumped it in and out, while wiggling the tip of her tongue against Nadine's clit. She plunged her fingers deep into Nadine's pussy, lapping at her moist walls and causing Nadine to shudder with an orgasm that left her gripping onto the tabletop.

phire. She was about twenty years old, with shoulder length blonde hair with green streaks in it. To our astonishment, Sapphire came right out and asked Nadine if she wanted a lap dance. We excused ourselves by saying we had just gotten there and asked her to come back a little later. Sapphire walks away with my wife and I watch her go.

As requested, Sapphire returned about ten minutes later and was carrying a couple drinks in her hands. "These are for you from me." she cooed. We thought it quite unusual and quite nice at the same time. She sat with us and looked us both in the eyes. We discussed her offer and Nadine was intrigued by the possibilities. Another round of drinks was all it took to get her to agree to have Sapphire do a sexy lap dance, but soon became more than a dance.

Slowly Sapphire finished her standard dance moves and began to take off her sequined top and rub her breasts. She gyrated a little more and took off her bottom, leaving herself in a tiny g-string, except for her clear-soled, high-heeled shoes. She leaned over and whispered something into my wife's ear and Nadine slinked down and pulled her panties off under her skirt.

Then Nadine undid her blouse and released her boobs from their confinement. I looked at what was going on and kept my mouth shut. Sapphire motioned over to the bartender and then the lights dimmed in the back area with the booths where we were sitting. Our table was only lit be a small red candle and the ambient light in the club. As my eyes adjusted, I noticed that Nadine and Sapphire had begun to suck on each other's beautiful boobs.

Sapphire got down on her knees and started licking Nadine's clit, then snaked her tongue between her pussy lips. She slid a finger in my wife's pussy and pumped it in and out, while wiggling the tip of her tongue against Nadine's clit. She plunged her fingers deep into Nadine's pussy, lapping at her moist walls and causing Nadine to shudder with an orgasm that left her gripping onto the tabletop.

Sapphire rose up and sauntered over to where I was sitting and gave me a sloppy kiss that made sure that I sopped all of Nadine's sweet pussy juices off her hot tongue. She turned around and straddled me as she ground her pussy against my crotch. My cock was filling with blood again, and was soon huge. I put my hand between Sapphire's legs and slid my fingers up into her soaked pussy. I pressed my cock head against slit, and in a brief moment I was inside.

With a squeal, she pumped up and down on me for a few moments. Nadine knelt on the floor in front of Sapphire so she could lick her sweaty pussy as I boned her. Sapphire lay back on top of me and Nadine put her mouth between the dancer's legs. I could see my wife licking Sapphire's pussy as I fucked her. Her tongue was wet against my cock as it slid in and out of Sapphire's dripping snatch.

She climaxed with a muffled scream. Just as I was about to cum, I pulled my cock out of Sapphire's pussy and stuck it into Nadine's. My wife was so worked up that I had her climaxing in seconds. It was a good thing too, because I was right behind her, spewing most of my load into her deep pussy. I saved the last few drops for Sapphire, who let me squirt them on her boobs. She took her fingers and swirled up the cum and began to lick it off them. She put a big glob in her mouth and leaned over to kiss Nadine. The two shared my love juices as the candlelight flicked and then died ending the show in darkness.

Nadine and I didn't hit the road for a few more days, never leaving the hotel, except for the day we spent at Sapphire's place. Furthermore our erotic three-way affair with Sapphire saved our relationship. I'm happy to say that Nadine and I are now happily married ever after.

From behind she heard Phillip call and her heart came alive. She turned around and held her arms out. He hugged her, kissed her warmly on the lips, and while he did, she noticed another man smiling at her him. Phillip broke away and introduced him as Brett, his new business partner. The two of them just got off the plane, but Kayleen was expecting only one – Phillip.

Brett took his scarf off and said 'hello.' She took her eyes away from Brett. To his greeting she nodded her head. The two men gathered up their luggage and the three headed for the parking lot. It was cold and snowing. She found her car and hurriedly opened the front door, and then the others. They said almost nothing on the way to the house on the other side of Cleveland. Phillip sat beside his wife in the front; Brett in the back. Phillip started getting frisky as he hadn't seen her for over a week. The business trip was a successful one with the men getting the funding they were looking for. But Phillip didn't tell her Brett was coming home with them as she was expecting alone to be with her man.

Once inside the warm apartment, they all took their coats off and Kayleen offers the drinks. Brett and Phillip both have a drink, saying it's necessary after a trip like that. She poured them each a beer in the kitchen and brought them out to the men in the living room. She grabbed Phillip's hand and pulled him back into the kitchen so she could have a word with him. The night was not moving along as she'd planned. Phillip had put a crimp in it by bringing Brett home. She told him how upset she was. How she had showered and cleaned up the bedroom so they could spend the day in bed with each other. Phillip told her that Brett's a great guy and perhaps she should reconsider today because he's to catch a plane tomorrow for more business in Baltimore.

They go back into the living room and sit on the couch with Brett. She tries to make small conversation with him, but keeps thinking about she and Phillip in bed. Phillip stand up and pulls Kayleen up to him. He plants a big kiss on her lips and slowly pushes his tongue into her mouth. At first she resists, thinking of Brett sitting there watching them. She's not quite comfortable with that.

Then Phillip slips his hands inside the back of her pants. Brett watches the outline of Phillip's two hands flexing in small circles, one on each half of her butt. Brett watches as Phillip slowly eases Kayleen's jeans down over her ass now while feebly she tries to pull them back up. Finally, she gives up tugging and allows Phillip to peel her pants down to her thighs where she manages to keep them by slightly spreading her legs. It was just what Phillip expected. Though he knew it wasn't meant to be that way, he took her spreading as a cue to put his hand down there.

She stops him and whimpers that Brett is watching. Red in the face, Brett lowers his eyes and shakes his head. Phillip walked Kayleen back to the couch and motions for her to sit down so that all three of them sat close together. "Baby, wasn't this your fantasy?" Letting someone watch while we made love?" "Yes, but I didn't expect you to do it. To bring a guy home without telling me. I don't know if I'm ready for this now." she says. But this time she is going to give in. Brett could watch. She'd do her best to pretend he wasn't there! That would be her fantasy now, *Brett reaches out and lets his hand graze the soft skin of her left breast. When he saw it was safe, he turned up his palm and seemed to be weighing her breast in it.*

away too long...

that Phillip and she were alone and all that was begging for it in her body could be satisfied. But today, it looks like it's going to be the three of them.

Kayleen convinced herself that she would make the best of it and decided that as she and Phillip got into it, it would turn out all right. This time, she restarts it. She's unbuttons her blouse, telling Phillip to help her take off her shirt and bra. He jumps to it, eager in anticipation. He frees her breasts from the bra, freeing her hard nipples straining at the material. Kayleen's shirt and bra are off leaving her in just her panties. Kayleen feels vulnerable but excited at the same time. Phillip pops one nipple into his mouth, playing with her other nipple between his fingertips. It had been a while that he even saw Kayleen's body, let alone tasted it. Now he was enjoying the absence even if she was reluctant.

Phillip moves his head to the middle and pushes her breasts against it. He snuggles in her cleavage, inhaling her aroma and becoming more excited. He takes Kayleen's hand and moves it down to his crotch so she can feel his ever-growing hard on. With his other hand he waves his arm in the air, summoning his friend to stand up and come over next to them. Phillip motions his friend down so he'd be kneeling on the rug, leaning in the middle of Phillip and Kayleen. Brett reaches out and lets his hand graze the soft skin of her left breast. When he saw it was safe, he turned up his palm and seemed to be weighing her breast in it.

He took her breast and pulled it in towards his mouth taking the nipple between his lips. Brett knelt there sucking on her nipple, gently and methodically: first in circles around her nipple, then between his teeth in easy pulls, then again in circles. Phillip sucked away on the other breast, kneading it as if it was full of milk. She closed her eyes and let the two of them take her away to what she was supposed to be experiencing now. It was happening but the sky wasn't falling. And this happening right here on her couch, the same couch where for a week she had been dropping her panties, straddling big pillows, humping them, shoving a thick pink vibrator up as far as she could get it, racing her oily fingers like a banjo picker over that clit of hers. Now on that same love couch, her breasts were being sucked off by two men--her husband and his friend. Had they planned this all week while she was playing her with pussy waiting for Phillip to return. And now it was feeling so fucking good to have both of them glued to her boobs, pleasuring her like never before.

In unison the guys back off her nipples and she hurries out of her panties while both men do the same with their own clothes. Because she had decided to go with it, it didn't make her uncomfortable to look at both men, scan their naked bodies, purposely staring a long while at their cocks. She put a hand down to feel the wetness soaking through her panties. Instinctively she put her wet fingers to her nose. Phillip laughed, then walked over and kissed Kayleen's mouth. Brett, without prodding, driven by the look of Kayleen and the demands of his cock, approached her and standing behind her, sandwiched her in between himself and Phillip.

Both men embraced her while she alternately threw her hips forward and then backward so each man's cock could collide against her wet panties. Then Brett moved away and knelt behind her. He rolled down her white panties, exposed that ass of hers that earlier had started his heart hammering. He embraced her again, as he knelt there, embraced her hips, licked the tight skin of her buttocks with the flat of his tongue. Meanwhile, Phillip was fingering her pussy, both men making it tough for her to stand on her feet. Kayleen started to wobble from the sensations, ones she had never felt before. Both sides of her body being serviced by two handsome men willing to please her. She grabbed Brett's rigid cock and pulles him around front. She took Phillip's in her other hand and led the both to the bedroom by their cocks. Each man was thinking this was going to be something special.

They get to the bed and Kayleen brushes off some blankets and lays on her back. Phillip kneels up on the bed, straddling her face and pushed down the hardness of his cock between her lips. She sucked hungrily. Brett positioned himself between her legs and worked his cock past the squiggly wet hairs that were plastered against her inner thighs and slid with no effort inside her. She knew this night would change her. Could she ever be satisfied with just Phillip after this? And whose fault was that? He had brought Brett home and now she had Brett deep inside her. But she let the thoughts go. This was the time for emotional and physical abandonment and she was going to enjoy it.

Brett touched all the right hot spots high up her pussy. He pumps a little harder and she squeals through Phillip's cock in her mouth. Kayleen loved sucking Phillip's cock and she showed it. Tongue up and down the shaft, a few quick hand strokes to pump his blood harder, then back into her mouth for another wet tongue lashing. Kayleen pushes Phillip's cock up against his stomach and on cue, he moves his balls over her mouth and she lightly tongues them while jacking his cock. She takes each one in her mouth and tongues it, then both together for a good sucking, all in rhythm to Brett's thrusts. Brett pulls out and lifts her hips and butt so he can get at that pussy. He bends down and licks her from anus to her slit and back again. The smell of her pussy and sweat make him drive his tongue deep between her labia to violate her hole. She reaches around Phillip and pulls Brett's head hard into her pussy and grinds her hips into his face.

Kayleen works Phillip's cock to climax and he shoots his warm jism deep into her mouth. She gags on the sheer volume of it but loves it and licks her lips for him to see. Brett has found just the right combination of lick and suck and within a minute of Phillip's cum, Kayleen bucks her pussy into Brett's face with her juices flowing into his mouth. He backs off and watches her convulse into a long orgasm.

If you've been keeping score, that leaves Brett to finish, so Kayleen sits up in bed and turns so her legs are over the edge and feet on the floor. She tells Brett to stand up and get in front of her so she can suck him off. He obliges, immediately sticking his cock into her moist mouth and fucks it like he would a pussy. Kayleen reaches behind and grabs his ass cheeks and pulls and pushes them with each of his strokes. She relaxes her mouth and tightens her lips around his cock to make it tighter.

She senses he's ready and just as he cums she jams a finger into his sphincter and he shoots so much cum into her mouth that she can't take it all in and it cums out the sides and over her pouty lips. He collapses onto the bed and all three cuddle, Kayleen in the middle softly stroking each cock back to hard and throwing in a balls' massage as a 'thank you.'
